*The New Blossoms New Life Foundation was founded as a living legacy to Maggie Kovski, who tragically passed away on May 30, 2007 at the precious age of two.*

*Chris and Renea' Kovski were blessed with Maggie only with the assistance of in-vitro fertilization. Because of their personal struggle, they understand the physical, emotional, and financial impact infertility can have on a couple.*

*The New Blossoms New Life Foundation mission is to provide financial assistance and emotional support to couples, challenged with infertility, with the goal of helping them have a child.*

*New Blossoms New Life Foundation awards grants for costly fertility treatments, as well as, provides mentoring, counseling, and community education.*

*In loving memory of Maggie Kovski*
